Harold Colee Endorses Naming The Dike For Herbert Hoover: Praises Encouraging Picture Of Florida

In his talk to more than a hundred Glades folks Thursday night following the annual banquet of the Belle Glade Chamber of Commerce Harold Colee unequivocally endorsed the naming of the dike in honor of Herbert Hoover.

"My personal acquaintance with Mr. Hoover and the knowledge of his part in the building of this dike makes me unhesitatingly endorse this plan and to tell you that if you make it your number one job I believe you will have the satisfaction of the endorsement by the National Congress."

Mr. Colee's enlightening talk on Florida's growth and advancement economically held the audience and he received hearty applause frequently.

"GET WISE BEFORE YOU MARRY," SAYS DR. FOX TO "LESSER DIVORCES"

Dr. Vernon Fox, Associate Professor of the School of Social Welfare, told Lions, Wednesday, that "out of every four marriages there is one divorce, and youngsters should shop around to get wiser before they leap."

His course "Family Life Education," now being conducted at the local High School is for that purpose, said the doctor.

"If we can get the young folks to approach marriage with some degree of reason, we will make some progress in lessening the present divorce rate."

Second Series Of Vaccine Given

One hundred ninety-seven second graders, received their second polio vaccine inoculation Thursday morning at the Central Elementary School, and the Lakeshore Elementary School.

Dr. Ralph Pipes, who assisted by Mrs. Kathryn Averill, nurse at local hospital, Mrs. C. D. McClure, Mrs. Kiefer Breeding, Mrs. Victor Green and Miss Banna Rodriguez at white school.

According to Miss Rodriguez there have been no reactions from inoculations given last Thursday. Quite a few children were unable to take the shots on account of measles and chicken pox, but there will be a make-up clinic on about 3 weeks before the booster shot is given.

There were 100 white children receiving the vaccine and 97 negroes yesterday morning. (Continued on Page Four)

CHEVROLET "BEL-AIR" SEDAN WORTH \$2442.20 LEADS OUR LIST OF BIG PRIZES

HERE IT IS—MAKE IT YOURS

Here is the magnificent new 1954 Chevrolet "Bel-Air" 4-door six passenger sedan valued at \$2442.20, to be awarded as grand prize in the Belle Glade "Everybody Wins" prize subscription contest, announced today. Read complete details of this interesting and highly profitable contest, open to local people of the Glades area, then make up your mind quickly to share in the distribution of more than \$5,000 in attractive prizes offered. Car purchased and on display in the showroom of Glades Chevrolet Company, 201 Main Street, Belle Glade.

SPECIAL PRIZES FIRST WEEK

Just to start the ball rolling, so to speak, and as a little added incentive to prompt action on the part of those who intend to participate in The Belle Glade "Everybody Wins" prize subscription contest, this newspaper will award 20 SPECIAL prizes consisting of \$25 each to aggressive "early starters" making the best showing up to and including Saturday night, May 15.

These special cash prizes are in addition to the regular 20 per cent commission, but a minimum of \$100 in subscription collections (both new and renewal) is necessary to qualify for a special prize, and, after all, this is a comparatively small amount and easily obtainable.

Then, too, there's still another \$25 cash prize on top of the above offer to be given for extra effort and substantial results obtained during the first week of the contest—also easily obtainable—as more fully outlined in the big two-page announcement elsewhere in this issue. It is easily possible, therefore, for everyone to earn \$100.00 in cash, or even more, during his or her very first week in the contest, while at the same time accumulating a big total of votes toward winning one of the major awards.

Melvin Goss Dies Following Accident While At His Work

Black grief settled over the South Shore Plantation Tuesday afternoon at 3:45 o'clock, when tragedy struck without warning. Melvin Goss, service man, had been oiling the hotel house and jumped out the rear door, directly into the path of a high speed rubber tired tractor, pulling a cane train.

Goss, 28 years of age, was struck down and run over by the tractor and cane wagon, killed instantly. He was a native of Cordele, Ga., had come to Beach City last July and had been employed at the South Bay and South Shore Plantations throughout the season. He was a cousin of James Jackson, field superintendent of the South S. Shore Plantation.

He is survived by his wife, Mary Goss, parents, Mr. and Mrs. Hardie Goss of Cordele, Ga.

The Futch Funeral Home at Clewiston is in charge of local arrangements. The body will be returned to Cordele for final services and burial.

MARKET REMAINS GOOD ON GLADES SWEET CORN

With more acreage of corn and celery still in the fields than this time last year, 1938 carloads of corn were shipped by rail the past week, according to PEO Commercial Agent, R. E. Hotard. Market on corn remains good and if blight, due to the recent rainy weather, doesn't damage the heavy shipments on corn will continue for the next few weeks.

Price on celery has dropped to where many farmers have not begun harvest, awaiting a change in the market. Some leafy vegetables are still going to northern markets from the glades.

Following is the report by rail for the week ending May 3, 1954:

Weekly Pay Checks For All Active Participants—Early Start Means Easy Finish

By ROBERT W. McRAY, Contest Manager

Always the leader in promoting programs for the betterment and prosperity of this thriving trade area, The HERALD today announces a big Trade Expansion Campaign and "Everybody Wins" subscription drive in which every resident of Belle Glade and surrounding territory will benefit—readers, advertisers and the general public. Everyone who participates will be compensated liberally for his or her time.

The HERALD takes great pride in announcing the inauguration of one of the most unique methods of placing winning easy reach of its many readers, and potential subscribers, an opportunity to earn for themselves awards amounting to thousands of dollars in prizes.

This great prize-giving event gets underway today as the HERALD announces a six and one-half week subscription campaign with the most interesting and attractive prizes ever offered in this section of Florida.

A new 1954 Chevrolet "Bel-Air" 4-door, six passenger sedan valued at \$2442.20 and \$750 cash are to be awarded the two top contestants at the close of the contest, Saturday noon, June 28. These two prizes alone should be sufficient reason for those interested to enter the contest quickly, but, to make things all the more attractive, four big bonus awards will go to the third, fourth, fifth and sixth place winners, each receiving \$250.00.

Nor is that all! A veritable shower of money in the form of special prizes and weekly pay-checks are yours for the asking. All of these prizes are being offered to anyone residing in the Palm Beach and Hendry County area who is willing to cooperate with the HERALD in this short snappy drive.

One of the outstanding features of this unique contest is the fact that there will be no losers as a cash commission of 20 percent (\$1 out of every \$5 collected from either new or renewal subscribers) will be paid each week to active participants, all in accordance with the contest rules.

Last rites and burial were held in Cross City, Michigan, Monday, May 3, when Melvin Goss, service man, had been oiling the hotel house and jumped out the rear door, directly into the path of a high speed rubber tired tractor, pulling a cane train.

Goss, 28 years of age, was struck down and run over by the tractor and cane wagon, killed instantly. He was a native of Cordele, Ga., had come to Beach City last July and had been employed at the South Bay and South Shore Plantations throughout the season. He was a cousin of James Jackson, field superintendent of the South S. Shore Plantation.

What May Day Should Mean To Americans

Editing credit for the winning essay by Jack Hemphill will be published.

May Day, as defined by Webster's dictionary, is the first day of May, celebrated in most countries by the crowning of a May Queen with flowers. But to me, and to most Americans, May Day is much more than that. It is part of a wonderful time of the year. In the North the trees have regained their foliage, the wild flowers are blooming in the woods and meadows, and the early birds are returning to their summer homes. In the south, people are preparing for a summer on the beach, the flowers are in full bloom, and the birds sing sweetly in the trees. May Day is a part of Mother Nature's crowning creation, spring!

The ancient Greeks had races and contests to promote peace among their people, with the winners receiving a wreath as a symbol of peace. Americans celebrate May Day with contests and relay races which promote peace and friendliness among the people. May Day is helping us bring them closer together. (Continued on Page Five)

RAMS VICTORIOUS OVER BEANPICKERS

The improving Rams outfit the Pompano Beanpickers for a 4-3 victory Tuesday afternoon. It was only victory number 3 for the locals, but recent games have seen the boys gaining in confidence and coming close to victory each time.

Walter Mosley pitched good ball for five innings, giving up only two hits before retiring in favor of fireman Joe Thomas. Thomas came in in the sixth inning to whiff 2 batters and retire the side before the Beanpickers could do much damage. Thomas gave up one hit in the 7th and allowed one run.

At the plate, several Rams came through in surprising fashion. Bob Van Landingham banged a sixth inning triple and J. F. Wilcox collected a seventh frame double to score the 3rd run. Junior Pitts scored the winning run on Bobby Jones last inning single.

Rotarians Hear Local CAP Cadet Program Discussed By Col. Altman

Col. Altman, on the far left, of the local CAP Unit presents Col. Zelt A. Altman, who is Commanding Officer for the area Vero to Hollywood, to the Rotarians last Friday.

"The CAP made an enviable record during the war in its anti-submarine work," Col. Zelt A. Altman told local Rotarians last Friday. "And now our organization has been officially designated by an Act of Congress to continue its work in search and rescue with an added but important function."

"The Cadet Training Program of the CAP includes some 2,000 boys and girls in Florida who are undergoing a well planned training that fits them for duty in civilian search and rescue work, as well as for possible military service," he continued.

"We have had many letters from boys who have been trained in the CAP as well as from officers who give our organization credit for preparing men for military service."

The Belle Glade Unit, under the Command of Captain B. E. Weeks has begun to organize a Unit, and the citizens of the community who take an interest in this program will be of great help to us.

"As a matter of fact, the senior members are the backbone of the training program, for there are no funds appropriated for this work. We have two Link Trainers, valued at around \$40,000 apiece and we have the loan of smaller aircraft from the Armed Services."

Captain Weeks had charge of the program at Rotary and introduced Col. Altman.

Bennie also gave a brief report on his attendance at the Rotary Conference in Orlando for incoming Rotary officers.

JEANETTE WADDELL
(Continued from Page One)
In merry Old England, the people celebrated May Day by winding the May pole and singing songs. Often in America we have colorful pageants and the children, dressed in gay costumes, wind the traditional May pole with brightly colored streamers. Songs are sung, and May baskets filled with flowers, are left on doorsteps to remind people that this is the time when everyone should be gay and happy.

As Webster says, most countries crown a May Queen, and perhaps a king to rule over the pageantry. This is a great honor, and long remembered by her majesty, the queen. The queen rules, as loyal subjects do dances of many lands, sing songs, or take part in athletic contests. Everyone is happy and enjoys the fun of the day.

But May Day has a more serious side. Spring may come all over the world, but it is hard to be joyful when you are hungry or under the domination of Communism. In America, boys and girls think of school ending, but in some countries only a few can afford an education and many never learn to read or write. While the people in America look forward to vacations, those of some countries wonder where they will find clothing and shelter for themselves and families. While we have gay parties, some countries show the world how great they are by having a display of military power.

We are very fortunate to live in a country which recognizes our individual rights. A country where most people have sufficient food and clothing and are allowed to take part in the May Day Events and really enjoy themselves.

New officers were elected at the regular meeting of the Belle Glade Rainbow for Girls, Monday night, May 3rd. Gall Allinson was elected Worthy Advisor, Jane Morris, Worthy Associate Advisor, Claudie Phelan, Charly, Jeanne Crewes, Faith, Aileen Hemphill, Recorder, Joyce Burke, Treasurer.

A May Day Dance was held in the school gym. The Rainbow Queen will be crowned that night.

June Assembly will be held June 17th, 18th, 19th at Sarasota. This assembly is planned to earn the money to pay part of the expenses for the girls.

School of Instruction will be held May 15th at Clewiston for the assemblies around the lake.

The proceeds from the last bake sale were \$17.50.

Members present were: Joyce Burke, Doris Burke, Mary Claire Frider, Mary Belle Schiebler, Frances Layfield, Jo Margaret Parson, Jean Johns, Claudia Phelan, Wanda Jay Brent, Elaine Crewes, Alma Ann McClure, Glenda Dell, Francis Perkins, Cline Faulk, Mary Horne, Patricia Gato, Ouida Lanier, Brenda Kessler, Suzanne Forsee, Jane Morris, Carole Van Landingham, Elizabeth Barber, Wynne McGehee, Sue Van Landingham, Mrs. Brent, Mother Advisor.

ED MIKOVSKY CHIEF RIFLE INSTRUCTOR OF LOCAL CLUB
Edward Mikovsky, of Belle Glade, has been selected as chief rifle instructor of the newly organized rifle club.

The Belle Glade Junior Rifle Club

the National Rifle Association announced this week.

Membership in the new junior rifle club will be restricted to youngsters under 19 years of age. The recently chartered group voted for the following officers: President: Jerry McKee; Vice-President: Carl Thompson, Executive Officer: Edith Mikovsky; Secretary: Timothy Bass; Treasurer: Stewart Boots.

Aim of the new club, like thousands of others similarly chartered by the National Rifle Association of America, is to teach youngsters the fundamentals of good marksmanship and safe firearms handling on the target range and in the hunting fields.

Sorority Installs New Officers
Installation of officers was held at the Annual Founders Day banquet of the Beta Sigma Phi at the Edelweiss, Thursday night.

Mrs. Rosa Nash was installed as president; Mrs. E. F. McAllister, vice pres; Mrs. O. G. McWhorter, recording sec; Mrs. Dan Beardsley, corres. sec; Mrs. C. L. Todd, treasurer; Mrs. Milton Carpenter, extension officer; Mrs. Frank Dooley, sponsor; or under the domination of Communism.

the National Rifle Association announced this week.

Membership in the new junior rifle club will be restricted to youngsters under 19 years of age. The recently chartered group voted for the following officers: President: Jerry McKee; Vice-President: Carl Thompson, Executive Officer: Edith Mikovsky; Secretary: Timothy Bass; Treasurer: Stewart Boots.

Aim of the new club, like thousands of others similarly chartered by the National Rifle Association of America, is to teach youngsters the fundamentals of good marksmanship and safe firearms handling on the target range and in the hunting fields.

Sorority Installs New Officers
Installation of officers was held at the Annual Founders Day banquet of the Beta Sigma Phi at the Edelweiss, Thursday night.

Mrs. Rosa Nash was installed as president; Mrs. E. F. McAllister, vice pres; Mrs. O. G. McWhorter, recording sec; Mrs. Dan Beardsley, corres. sec; Mrs. C. L. Todd, treasurer; Mrs. Milton Carpenter, extension officer; Mrs. Frank Dooley, sponsor; or under the domination of Communism.

In America, boys and girls think of school ending, but in some countries only a few can afford an education and many never learn to read or write. While the people in America look forward to vacations, those of some countries wonder where they will find clothing and shelter for themselves and families. While we have gay parties, some countries show the world how great they are by having a display of military power.

We are very fortunate to live in a country which recognizes our individual rights. A country where most people have sufficient food and clothing and are allowed to take part in the May Day Events and really enjoy themselves.

New officers were elected at the regular meeting of the Belle Glade Rainbow for Girls, Monday night, May 3rd. Gall Allinson was elected Worthy Advisor, Jane Morris, Worthy Associate Advisor, Claudie Phelan, Charly, Jeanne Crewes, Faith, Aileen Hemphill, Recorder, Joyce Burke, Treasurer.

A May Day Dance was held in the school gym. The Rainbow Queen will be crowned that night.

June Assembly will be held June 17th, 18th, 19th at Sarasota. This assembly is planned to earn the money to pay part of the expenses for the girls.

School of Instruction will be held May 15th at Clewiston for the assemblies around the lake.

The proceeds from the last bake sale were \$17.50.

Members present were: Joyce Burke, Doris Burke, Mary Claire Frider, Mary Belle Schiebler, Frances Layfield, Jo Margaret Parson, Jean Johns, Claudia Phelan, Wanda Jay Brent, Elaine Crewes, Alma Ann McClure, Glenda Dell, Francis Perkins, Cline Faulk, Mary Horne, Patricia Gato, Ouida Lanier, Brenda Kessler, Suzanne Forsee, Jane Morris, Carole Van Landingham, Elizabeth Barber, Wynne McGehee, Sue Van Landingham, Mrs. Brent, Mother Advisor.

Everybody Wins

Rules and Regulations

- Any reputable resident of this city or surrounding territory is eligible to enter the contest and compete for prizes and receive weekly commission checks.
- No salaried office employee of this newspaper is eligible to enter contest. This does not apply to country correspondents.
- Winners of main prizes will be determined by (a) their earned votes, and votes being represented by ballots issued for bona fide new and renewal subscriptions, and (b) free coupons clipped from this newspaper—said coupons to be printed in this and our next three issues in denomination of 100 votes each this and next week; 50 votes each the third week, 10 votes each the fourth week and then discontinued. No more than ten coupons of each denomination will be credited to any one contestant.
- Participants in this subscription drive are not confined to their own towns or community in which to secure new or renewal subscriptions, but may take orders anywhere in this section; or, for that matter, anywhere else.
- Votes are issued free. It costs the subscriber nothing extra to cast their votes for any contestant. Votes must be asked for at the time of paying subscription, however, otherwise subscriber waives this privilege.
- Votes once issued are not transferable. Contestants cannot pool their votes in favor of another contestant. Should a contestant withdraw from the race, his or her accumulated votes will be cancelled.
- Any dishonesty or collusion on the part of contestants to nullify competition, or any other combination formed to the detriment of other participants in this newspaper, will be considered as a violation of these rules.
- Exact vote standing of each contestant will be published in this newspaper in proportion to earned votes; however, votes issued in the form of ballots, or special votes therefor, may be held in reserve by contestant only insofar as it does not affect position in published standing. The free vote coupons, clipped from this newspaper, must be cast within one week of publication.
- In event of a tie for any one of the prizes offered, an award of identical value will be given each tying contestant.
- Participants in this drive are authorized to accept new and renewal subscriptions and give temporary receipts for same (official receipts will be sent direct from this office) but it is understood and agreed that they will be responsible for all money collected and will remit such amounts in full to the contest department on regular report days.
- No statements or promises made by any representative or participant varying from the rules and regulations appearing in the columns of this newspaper will be recognized by the publisher.
- In case of typographical or other error it is understood that neither the publisher nor contest manager shall be held responsible and will make necessary correction upon discovery of same.
- All active participants will be paid twenty percent cash commission (\$1 out of \$5) of their individual subscription collections each week as it accrues. It is to be understood, however, that in the event any contestant becomes inactive (failing to make weekly reports) his or her name will be removed from the published list of contestants until such time as participant again becomes active.
- It is understood and agreed that the winners of first and second prizes will consider their weekly pay checks in the light of an "advance" which are returnable upon presentation of prize—thus obtaining double compensation. This does not apply to third, fourth, fifth and sixth bonus check winners.
- To insure absolute fairness in the awarding of prizes, the race will be brought to a close with a sealed ballot box. During the entire last "period" of the drive, a ballot box—locked and officially sealed—will be placed in the vaults of a local bank, where contestants themselves may deposit their final collections and reserve votes in utmost secrecy. In this way no one—not even the publisher or contest manager—can possibly know the actual strength of the various participants, which precludes any possibility of favoritism and insures fairness to the minutest degree.
- Twenty-five thousand extra votes will be given contestants for each 5-year subscription (or extension from previous contest subscription payment to 5 years) turned in by them during their first week in contest, and during third week of the drive half as many special extra votes will be issued on same basis.
- Any subscription once turned in can be extended during either first or second "period" by making extension payment, and remainder of votes will be issued thereon same as if full amount had been paid at the very beginning.
- Any contestant who earns as much as \$50 in commissions during either week of the drive, will receive an extra bonus of \$25 cash in addition to regular commissions earned or any other special prize won.
- Ten thousand free "report day" votes will be given participants making a subscription report on Tuesdays, Thursdays and Saturdays during drive.
- This newspaper guarantees fair and impartial treatment to all participants, but should any question arise, the decision of the Advisory Board will be absolute and final.
- In becoming a member of this "Everybody Wins" prize subscription drive contestants agree to abide by above condition.

- 16A. Where 5 year subscription appears in article 16, it should read 4 years.
21. Double schedule of votes granted on new subscriptions during first two periods of contest only.

HERE'S HOW WINNING VOTES ARE OBTAINED

DOUBLE VOTES DURING FIRST TWO PERIODS OF CONTEST

Schedule of Votes and Subscription Rates of THE BELLE GLADE HERALD

First Period (Ending June 5)	Second Period (Ending June 19)	Third Period (Ending June 26)
During first 3 1/2 weeks of contest the following number of votes will be issued on subscriptions:	During next two weeks the following votes will be issued on subscriptions:	During last week of contest the following votes will be issued on subscriptions:

Everybody Wins

Plan In Brief

The object of this big "Everybody Wins" prize contest is three-fold. Primarily, to increase the already large subscription list of this newspaper; to collect advance subscription payments from present readers, and at the same time afford local wide-awake, energetic men and women (married or single) and young people of this trade territory an opportunity to profit in a BIG way through the contest which they might have during the next few weeks. So, it is a plan that works both ways, and to the ultimate good of all concerned.

In order to gain this end quickly and effectively, the most attractive and altogether desirable awards ever offered by any newspaper in this section have been made ready for distribution among those who participate most actively. Ambition and energy are the only requisites for success.

Let it be understood at the very outset that this is not a "lucky drawing" nor something-for-nothing affair, but a strictly legitimate competitive proposition for enterprising men and women, and one in which all active contestants will receive a liberal commission check each Monday morning covering results obtained by them during the past week, while striving to win one of the major awards. An outstanding feature of this big contest is the fact that "Everybody Wins." There will be no losers in this race.

How To Enter—What To Do

The first thing to do is to clip the Entry Coupon appearing on the opposite side of this page, fill in your name and address and mail it in person to contest department at once. This coupon starts you in race with \$500 FREE votes; and, by using the Early Effort Coupon appearing on front page of this issue with your first subscription (this coupon good ONLY during first week of contest) you would then be entitled to an extra 100,000 PREMIUM votes for taking IMMEDIATE action—all of which speed-up on your way to win. ONLY ONE such Entry Coupon will be accepted for each participant.

The next step is to obtain from contest department one of the little special receipt books, printed for the purpose, partial list of present subscribers showing expiration dates, etc. Thus equipped, you have but to see your friends, neighbors, relatives and acquaintances and ask them to subscribe to this newspaper through you. Just remember this: Anything worth having is worth striving for. Six and a half short weeks and you may be riding in YOUR OWN big automobile for a long, long time to come, or otherwise several hundred dollars richer in purse as the result of a little well directed effort NOW!

Then, too, as more fully outlined below, this newspaper offers "early starters" substantial special cash prizes for substantial results during the very first week of this contest, the small requirements necessary to qualify as a winner being easily attainable and well worth the little effort it requires. Try it and see!

How To Win The Big Prizes

It takes votes to win the big prizes, and they are secured in the following ways: First by clipping the free vote coupons appearing in this newspaper. Begin gathering them NOW while they are good for 100 votes each. After next week these coupons will be reduced to 50 votes each; the following week to only 10 votes each, and after that they will be discontinued entirely. Only ten coupons of each denomination will be credited to any one contestant and they must be cast within one week after publication.

Another, and much faster way, to accumulate votes in our "Everybody Wins" prize contest is by securing new and renewal subscriptions to this newspaper. Votes are issued on each subscription secured; the number varying according to amount paid and during which "period" same are received at the contest department. SEE SCHEDULE OF VOTES BELOW.

Early Start Means Easy Finish

The advantages of an early start are manifest. This "Everybody Wins" prize contest is of such short duration that immediate action is imperative for great success. Subscribers taking the early part of drive not only carry the MAXIMUM number of votes, but "early starters" who are first in field will undoubtedly get the "cream" of new and renewal subscriptions, while those who opt off starting until a later date will of course have to take what is left.

Don't lose valuable time "waiting to see what the other fellow is going to do" but get into the game today, without delay, and show the "other fellow" how to do it!

FAIRNESS IS ASSURED

Weekly Payroll

Advisory Board—It is the sincere aim of this newspaper to conduct this campaign from start to finish in a fair, honorable and impartial manner. Every precaution has been taken to safeguard the interests of participants, and absolute honesty in all dealing is guaranteed. However, not all wisdom lies with any one man or institution, and for that reason an Advisory Board has been decided upon, whose functions shall be to decide any question of sufficient moment that might happen to arise, and from which a committee shall be selected to act as judges and award the prizes.

Mr. Frank Hobson — Principal Belle Glade High School
Mr. Pellon Morris — Principal South Bay School
Mayor Harold Rabin — Belle Glade
Mr. George Wedgworth — President Chamber of Commerce
Mr. H. B. McCall — Everglades Federal Savings & Loan
Mr. Ed Lively — President Florida National Bank
Mr. C. A. Thomas — Farmer, Lake Harbor
Mr. I. W. West — Postmaster, Chosen, Fla.

All of these gentlemen are well known to everyone in this vicinity and the final results as given out by them will be beyond dispute.

No Reduction After Total Disability Rating Has Been In Effect 20 Years — Public Law 311, 83rd Congress, approved March 17, 1954, provides that a rating of total disability or permanent total disability which has been made for compensation, pension or insurance purposes, and which has been continuously in force for 20 or more years shall not be reduced there after, except upon a showing that such rating was based on fraud.

NSLI Beneficiaries May Be Refunded Overpaid Premiums — Some insurance premiums paid on behalf of Korea servicemen who were first declared missing and later dead, may be available to beneficiaries as refunds.

Many servicemen now declared dead by the service department had government insurance premiums paid while they were in "missing in action" status in the Korean War by deduction from their service pay. For insurance purposes the VA assumes that these men died on the date they first became missing in action (unless there is definite proof that death did not occur until a specific later date).

The beneficiary of the insurance is entitled to refund of premiums paid from the date of presumed death for insurance purposes to the date of declaration of death by the service departments, at which time military pay, and deductions therefrom, are discontinued. Refunds to beneficiaries are based on VA insurance regulations relative to disposition of unearned premiums.

Many servicemen now declared dead by the service department had government insurance premiums paid while they were in "missing in action" status in the Korean War by deduction from their service pay. For insurance purposes the VA assumes that these men died on the date they first became missing in action (unless there is definite proof that death did not occur until a specific later date).

The beneficiary of the insurance is entitled to refund of premiums paid from the date of presumed death for insurance purposes to the date of declaration of death by the service departments, at which time military pay, and deductions therefrom, are discontinued. Refunds to beneficiaries are based on VA insurance regulations relative to disposition of unearned premiums.

Mrs. Olga Hardy's third grade won the attendance prize for the month.

The Parent Teacher Association and Lions Club Corn Festival dinner at the auditorium on Friday night served 225 plates and it was estimated would net each organization approximately \$100.

Officers were elected for the coming year and installed by Mrs. E. D. H. Eckman. Mrs. Floyd Wilder, President; Mrs. Pellon Morris, first vice-president; Mrs. C. E. Crichtfield, second vice-president; Mrs. Frank Willis, secretary; Mrs. Billy Rogers, treasurer; Mrs. Alton Goodbread, historian; Mrs. H. B. Walker, publicity chairman.

The hospitality committee: Mrs. Cecil Kersey, Mrs. Marvin Davis, Mrs. Sam Henderson and Mrs. D. N. Partain served cheese wafers, cake, coffee and iced-tea.

Outdoor Florida

I like to take in almost every subject under the sun in this "outdoor" column. So today we have a story about smoked fish, by the man who turns out the most delicious smoked fish in Florida. You will find him, Capt. W. Hope Fagen, on the Causeway island, at Fort Pierce, and it's always worth a stop to see him, and sample his fish, or perhaps to have your own custom smoked. Smoked fish to me is one of the world's most delicious delicacies. Now for Capt. Fagen's story.

My good friend, Herb Mosher, has requested me to guest column for him about smoked fish. Smoked fish is now my business, so a brief history of his smoking may interest his readers.

The practice of smoking fish goes back many hundreds of years in many parts of the world, since smoking was the pre-refrigerator way of preserving meat and fish.

In my native Volusia County, as a boy, I learned fishing from my boyhood hero, Monty Cone, a real primitive with all the lore of nature at his fingertips. I learned to knit cast-nets and cast them under his training. But what I most remembered through the years was his smoked fish. He would build a hard wood fire to make a bed of coals, then lay green bay-wood on them. A barrel with removable top was set on the fire. The fish lay on chicken wire shelves in the barrel. What a pungent aroma came out of that barrel to whet our appetites for the feast we had after a few hours of smoking.

Videttes of this lingered through my years of being a sea captain. Upon retiring, I came to Fort Pierce with this memory still fresh in my mind. My knowledge of seasoning fish was acquired from my friend Conrad Arnaud, owner of a famous restaurant in New Orleans. Before starting smoking as a business I studied carefully the free pamphlets on curing and smoking fish, issued by the Dept. of Agriculture in Washington.

Learned however, that in addition to the basic knowledge of curing and smoking that I had acquired, much practical experience was also necessary, and it was only by constant experimenting that I finally produced a superior product. I had to learn the hard way, by trial and error, that certain fish should be smoked in a hot smoker, while others are best when treated to a long, cold smoke, I

also found that many small fish are best smoked whole, while larger ones should be filleted.

This old fashioned method of wood smoking thoroughly cooks the fish. Barbecued fish, which means fish smoked for a few hours, should be eaten at once, while fish smoked the way I do keeps a long time and can be shipped anywhere.

This has proven a boon to fishermen hereabouts. They have found they can have their catches smoked, to be eaten here or carried back home where they can give visual proof of their fish stories. I am constantly asked "What fish are good for smoking?" Any edible fish, from a minnow to a whale, is my answer. "One example" of this is the Crevalle Jack which abound in this region. Thousands of pounds of these fish were being thrown away, as no one had tried to smoke them. I did. Smoked with the proper seasoning, they are so good that many winter visitors try to catch them so that they can have me smoke them. The same is true of Channel Catfish, another fish that many folks cook for eating but never thought of smoking. There is a lot of waste to them, but the fillets, when smoked, are a great delicacy.

Another discovery I made concerned Jewish fish. These had always been brought to me alive and butchered immediately. The parts I smoke are always in great demand. One day we processed a Jewish fish that was not alive on arrival, it had lost some of its delicious flavor. I decided then that I would try to keep live Jewish on hand and build a large pen in which to keep them. This led to something else. People were so fascinated by the sight of large live fish that it seemed a shame not to show them various species. I added several large singarones, a drum, a bass, and suddenly my Jewish pen turned into an aquarium, the only one in this vicinity. Soon I hope to have a large turtle and maybe a Manatee. The State Conservation board has given me permission to house them all.

The aquarium is for the public, so if any one has a large, unwounded live fish, he can find a good home for it here, and I promise not to smoke it. Some day we may have tanks for small fish, but we haven't come to those yet.

Ever See around a Corner?

The stunning new windshield you find in every 1954 Buick does a lot more than merely keynote the most modern beauty of the times.

Just take the driver's seat in any one of these tomorrow-styled cars and you'll feel positively eagle-eyed.

That spectacular sweep of glass broadens your point of view to the right, and to the left.

It puts more safety in your seeing. It lets you see more of what's coming from the sides — and quicker and easier, too — because the corner posts are pulled "way back."

This, you realize, is true panoramic visibility — and makes anything else seem as outdated as long skirts.

But you ought to look into what else goes with the dream-car styling of these great new Buicks.

You ought to look into the whip-like performance of true high-compression V8 engines that reach new horsepower highs.

You ought to look into the silky new ride, the sweet "c-w" handling ease, the utter smoothness and instant response of Twin-Turbo Dynaflow.

Most of all, you ought to look into the sensational new Buick CENTURY that's taking the country by storm — the great new Buick performer that gives you more horsepower per dollar than any other car in America.

We cordially invite you to come in today or the first thing tomorrow — to see and drive one of these great new Buicks — and judge for yourself that here it is the beauty and the buy of the year, by far.

*Standard on ROADMASTER, optional at extra cost on other Series.

BUICK SALES ARE SOARING! Latest sales figures for the first quarter of 1954 show Buick new car sales every other car in America except two of the so-called "low-price three." And one big reason for this tremendous success is the new Buick CENTURY, with more horsepower per dollar than any other car in the country. Illustrated here is the new CENTURY in the much-wanted Buick Riviera "hardtop" model.
